NITISH P

| OBJECTIVE | To enhance my educational and professional skills in a stable and dynamic work place. |

| SKILLS & ABILITIES | C , C++ , Python ,Html , Css, javascript |

PROJECTS

- **Text to speech conversion using python programming**

It converts the text to speech format.We can give a document or pdf as input or we can type the input and the output will be in voice format.

- **Random password generator using python**

It generates a random password each time we execute and it does not repeat the same password.The password contains uppercase,lowercase,numbers & symbols.So the password remains strong.

EDUCATION
